A PLAN FOR TUNNEL VENTILATION. The Railroad Commissioners have decided to put into experimental operation in a portion of the Fourth Avenue Tunnel a double roof and atwentrent plan of ventilation, which is elsewhere in "The Evening World"........... \$100.00 this issue fully described. The idea | Previously acknowledged | No. 1 | No. 2 | Previously acknowledged | Previously acknowle promise will be fulfilled only the result | Francis of thorough experiment can show. It is E. S. C. expected that the smoke and cinders l'anny and Clarence Tim from passing trains will be utterly cleared Eleaner. away, and that the most important factor | Remone in the process of making the tunnel safe flook Agent

will thus be secured. Great public interest will attach to the Uncle Rest experiment. Should it succeed there Family of Sympathicors will be cause for intense gratification to Charle Banker. the Commissioners and to those who Harry Barri have to travel through the tunnel. It will n. P. remove not only a great deal of the dan- H. J. ger, but most, if not all, of those un- V. Sternoud... pleasant features of the tunnel passage which are due to the present necessity of W. A. H. closing the passenger cars so tightly A. L. D. against the cinders and smoke. For its part, the railroad company promises, in the exent of the experiment's success, to THE WAYS OF WOMAN FAIR. puickly comin the whole tunnel accord. ing to the then-to-be chosen plan.

THE SEABRIGHT CALAMITY.

With characteristic generosity, the pecple of New York City loosen their pursestrings and come to the aid of Sasbright and its destitute people. A fiberal fund is already under way, and care will be taken that it shall be distributed to the

Drives Women to their Senses.

It's the time when they must have something to lessen heir work. It's the time when they must have Pearline. Nothing else saves as much or does as much, in all washing and cleaning-and it's done without harm.

Soak your clothes in Pearline and water-no soap-Pearline contains all the soap necessary-two hours, or over night, rinse well, and they will be clean-particulars for this way of washing on every package. Hot weather increases the number who use Pearline-but in cooler times there's no falling off.

It's easily explained, you can drive women to use Pearline-some of them have to be driven to it. But, ... arkin is to be."
"Why, I thought that engagement was off."
"So it is. And I don't want it on again, so want to avoid going where she is."

Peddlers and some unscrupulous greens will tell you." this ten and
